Frequently Asked Questions (FAQs) (06/06/2006)

Question or Issue:

Is an individual eligible for the project if the insurance, Medicaid or Medicare lapsed and the person is readmitted before the benefit is reinstated? For example, a person who has Medicare and needs to be rehospitalized before the 60-days have elapsed.

Precedence:

n/a

Guidance or Actions:

The funds may only be used when no other benefit is available for inpatient stay. The CSB and the hospital would work collaboratively on ensuring that this standard is met. Should the benefit be determined available after hospitalization commences, the pre-purchased days would be credited and per diem be removed. (Contract IPS-AS-001 sections 6.17 and 6.18)
